Why Mancraft for Contract Staffing?

We recruit for your needs

Our recruiting process is designed to find associates who can add business value in your organization from day one and we work to build an in-depth understanding of your objectives to effectively match our associates to your needs.

We reduce costs

Right Sizing the manpower during business fluctuations, protecting your permanent workforce and controlling costs. With Mancraft on your team, the costs associated with hiring, benefits, retirement, taxes and long-term compensation are reduced.

We partner with you

We work closely with your team to ensure our contingent staffing solutions support your workforce strategies. For many, we're the single resource that can manage all aspects of the contingent workforce - from recruitment to on boarding and safety to ongoing satisfaction measurement.

PAYROLL ADMINISTRATION:

Go beyond Pay Slips and let Payroll be your business transformation catalyst!

Payroll is one of the many responsibilities for an employer and is a crucial part of the business. Your business cannot do without payroll and it is not simple.

Payroll is not just about paying people, but well managed payroll processes reduce costs and mitigate compliance risk. In addition error-free data management will help you with new business insights, easier compliance and help you take your human capital management to the next level.

STATUTORY AND COMPLIANCE OUTSOURCING

We ensure happiness quotient of your employees through our range of HR Solutions that perfectly meet your requirements. With our Statutory and Compliance Outsourcing solutions, we will ensure that your organization is compliant with all employee-related statutory compliance requirements. Our range of services includes:

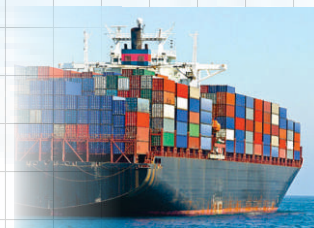

- Licensing and Registration Processing will be done on below acts
- The Factories Act, The Shops and Establishment Act, The Contract Labour (Regulation and Abolition Act), The Karnataka Profession Tax Act
- Statutory & Compliance Audit.
- Timely remittance & filing management under Statutory Activity (PF, ESI, LWF, PT etc).

We cater to all industries spread across all sizes - small, medium and large

C- TPAT CONSULTATION

We will help the export oriented units to get certification of Customs Trade Partnership (C-TPAT)

SOCIAL AUDITS

We guide and support organizations to advancement of social responsibility in the industry with programs to address environmental concerns, fair and lawful employment practices and workplace safety etc.,

RECRUITMENT

Getting the “right” person for your team can be time-consuming and complex. But it's essential to your business success, and can be even more time and resource-consuming if you make the wrong hire.

Our dedicated team of search professionals immerse themselves in your business culture, and assesses the skill set required for the job – whether for a short-term assignment, or a long-term, in-house placement. From there, we connect you with the right candidates,

Let us help you to land your next great hire.
